### **Admission to the College of Business**

#### **Non-Freshmen and Transfer Admission (24 or more credits)**

USU students and transfer students from other accredited colleges or universities may be admitted directly to any College of Business major if they have met the following:

1. Admitted to Utah State University
2. Designated a College of Business major on university application or submitted a College of Business application to the College of Business Career & Education Opportunities Center.
3. 24 or more post-high school earned college credits with 3.5 GPA or higher.

#### **Students Not Admitted to the College of Business**

Students not meeting the above conditions are not admitted directly to the College of Business. They must apply through the College of Business CEO Center, Business 309, after they have completed 24 credits to include ECON 1500, MATH 1100, STAT 2300, and PSY 1010 or SOC 1010 with a C grade or higher in each course. Application for admission with an essay are available in the COB CEO Center. Applicants are ranked according to GPA calculated below and admitted based on space available.

- 1/3 weight on four required courses
- 1/3 weight on last 24 credits earned
- 1/3 weight on overall GPA

For this evaluation and ranking, grades for courses which have been repeated will be discounted one step each time repeated for the College of Business admission grade point calculation (A- to B+). Students may not repeat a course more than twice, and no more than 10 repeats in total to earn a degree. (College of Business courses are limited to one repeat.)

#### **Acceptance as an Accounting Major**

Students not meeting the college non-freshman and transfer student requirements may apply for acceptance as an accounting major after being admitted in the College of Business, achieving at least a 3.0 cumulative GPA, and completing Accounting 2010 with a B grade or higher. Accounting major application forms may be obtained and submitted at the COB CEO Center, Business 309.

#### **Course Restrictions**

Many College of Business courses have prerequisites and other restrictions requiring adherence. College of Business courses may be repeated only once. College course restrictions are as follows:

- |                             |  |
|-----------------------------|--|
| 1000-level courses          | No restrictions  |
| 2000-level courses          | Satisfy all course prerequisites including a 2.5 GPA.  |
| 3000- to 5000-level courses | Admission to the College of Business or another USU major, satisfy all course prerequisites including 2.67 GPA (ACCT 3110 and 3310 require a 3.0 GPA.) |

#### **Matriculation Requirement**

Not more than 15 USU College of Business credits (ACCT, BA, BIS MHR), numbered 2000 and above, earned as a non-business major (before acceptance in the College of Business) can be applied to a College of Business degree. More than 15 business credits can be transferred from other accredited institutions. However, additional USU credits added to previously earned transfer credits may not exceed 15.

#### **Implementation**

Students will be admitted to the College of Business each semester. Applications must be received by December 1 for Spring Semester, April 1 for Summer Semester, and July 1 for Fall Semester. Applicants who have completed all requirements may apply at any time. If their achievement clearly qualifies for admission, they may receive early admission notification from the selection committee. Other applicants will be notified as soon as possible after grades are posted and the ranking can be made for the current semester.

#### **50% of the business credit hours must be earned at the degree awarding institution.**

All students entering USU who desire to pursue a degree from the College of Business must have earned at least 50% of the required business credit at Utah State University. The exact number of business credits required to meet this regulation varies with each major. Please contact your COB advisor or the COB CEO Center (B 309) for clarification.
